

"Decenio de la Igualdad de oportunidades para mujeres y hombres"
"Año del Fortalecimiento de la Soberanía Nacional"

Lima, 12 de mayo de 2022

OFICIO N.º 125 -2022-PR

Señora
MARÍA DEL CARMEN ALVA PRIETO
Presidenta del Congreso de la República
Ciudad.-

Tenemos el agrado de dirigirnos a usted a fin de solicitar al Congreso de la República que, por intermedio de su digna Presidencia, conforme a lo dispuesto en el inciso 9 del artículo 102º de la Constitución Política del Perú, autorice la salida temporal del territorio nacional al señor Presidente de la República del 21 al 27 de mayo de 2022, con la finalidad de participar en la Asamblea Anual del Foro Económico Mundial (WEF, por sus siglas en inglés), a realizarse en la ciudad de Davos, Suiza, los días 24 y 25 de mayo, así como reuniones de trabajo conexas a realizarse el día 23 de mayo.

La Asamblea Anual del WEF tiene el presente año como tema central "Preparándonos para la era post-COVID". Será ésta una oportunidad para que el señor Presidente de la República pueda interactuar con importantes líderes mundiales y regionales, y altos ejecutivos internacionales, a fin de abordar temas estrechamente vinculados a las prioridades del Gobierno peruano, tales como: (i) reestablecer la confianza en el sistema internacional y sus instituciones; (ii) encontrar la combinación de políticas adecuadas para fortalecer la recuperación pospandemia a largo plazo; (iii) tratar las causas de la desigualdad nacional y mundial; (iv) fortalecer la resiliencia del sistema de salud mundial; (v) acelerar la acción climática y regenerar ecosistemas; y (vi) definir los principios para garantizar que la Cuarta Revolución Industrial responda al interés de la humanidad.

En esta oportunidad, se ha previsto la participación del señor Presidente de la República en los diálogos sobre la mejora de la educación; desarrollo sostenible de la Amazonía y la transformación digital en América Latina, entre otros.

Por otro lado, en lo que respecta a las reuniones conexas del día 23 de mayo, se tiene previsto llevar a cabo encuentros de trabajo a fin de conocer la experiencia suiza en materia de desarrollo de infraestructura y desarrollo agrario.

Se adjunta al presente el proyecto de Resolución Legislativa, a fin de autorizar la salida temporal del señor Presidente de la República del territorio nacional del día 21 al día 27 de mayo de 2022.

Atentamente,

JOSÉ PEDRO CASTILLO TERRONES
Presidente de la República

ANÍBAL TORRES VÁSQUEZ
Presidente del Consejo de Ministros

PROYECTO DE RESOLUCIÓN LEGISLATIVA

**EL CONGRESO DE LA REPÚBLICA;
Ha dado la Resolución Legislativa siguiente**

**RESOLUCIÓN LEGISLATIVA QUE AUTORIZA AL SEÑOR PRESIDENTE DE LA
REPÚBLICA PARA SALIR DEL TERRITORIO NACIONAL
DEL 21 AL 27 DE MAYO DE 2022**

El Congreso de la República, de conformidad con lo prescrito en los artículos 102, inciso 9), y 113, inciso 4) de la Constitución Política del Perú; en el artículo 76, inciso 1), literal j), del Reglamento del Congreso de la República; y en la Ley N° 28344, ha resuelto acceder a la petición formulada por el señor Presidente de la República y, en consecuencia, autorizarlo para salir del territorio nacional del 21 al 27 de mayo de 2022, con el objeto de viajar a la Confederación Suiza para participar en la Asamblea Anual del Foro Económico Mundial (WEF, por sus siglas en inglés), así como en reuniones de trabajo conexas, a fin de interactuar con importantes líderes mundiales y regionales, y altos ejecutivos internacionales, para abordar temas estrechamente vinculados a las prioridades del Gobierno peruano, tales como la respuesta a la COVID-19; la reactivación económica pospandemia; la desigualdad en el mundo y a nivel nacional; el fortalecimiento de la resiliencia del sistema de salud mundial; así como participar en diálogos sobre la mejora de la educación; desarrollo sostenible de la Amazonía y la transformación digital en América Latina, entre otros. Asimismo, en las reuniones conexas, se tiene previsto llevar a cabo encuentros de trabajo a fin de conocer la experiencia suiza en desarrollo de infraestructura y desarrollo agrario.

La presente Resolución Legislativa entrará en vigencia el día siguiente de su publicación.

Comuníquese al señor Presidente de la República para su promulgación.

En Lima, a los días del mes de mayo del año dos mil veintidós.

Annual Meeting 2022

WORLD
ECONOMIC
FORUM

Guidance on Health Measures

DAVOS-KLOSTERS

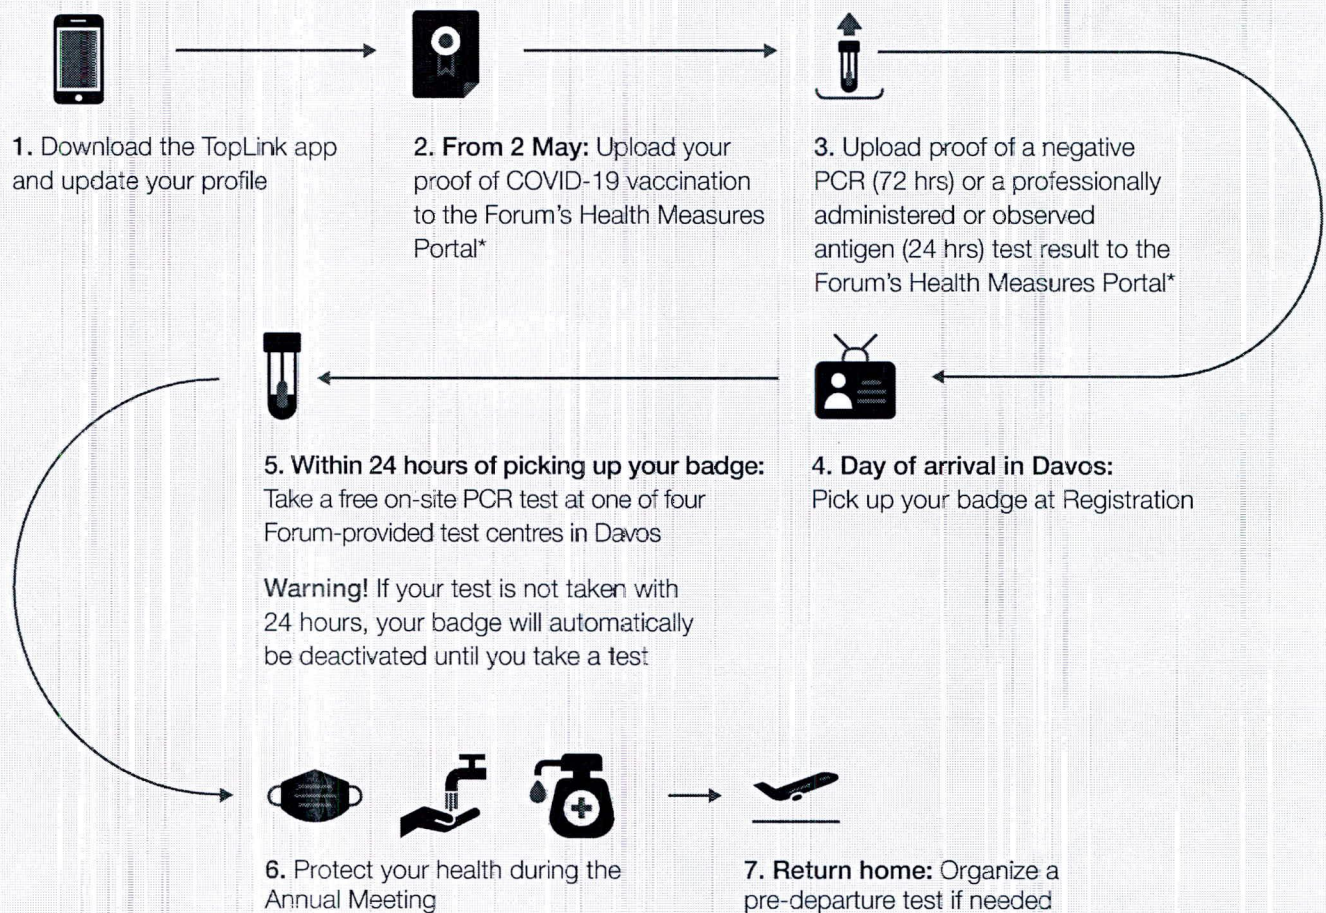

22-26 MAY

Last updated 6 April 2022

The World Economic Forum attaches the highest priority to protecting the safety and well-being of participants, staff and the local community. Our return to Davos for the Annual Meeting follows extensive work with the world's leading health experts and virologists as well as Switzerland's public authorities to develop policies and protocols covering every aspect of the meeting, including health, safety and security.

All participants at the Annual Meeting 2022 must be fully vaccinated, including a third dose or booster, and show proof of a negative COVID-19 test result (PCR or antigen test) before their arrival at Registration in Davos. All participants must take a PCR test on-site within 24 hours of picking up their badge.

Updates to these health measures will be published regularly on TopLink to adapt to any changes and based on ongoing consultations with authorities and experts. Please review this document carefully.

* An email from the Forum will be sent with instructions on how to upload this document.

5. Take a free on-site COVID-19 PCR test within 24 hours
6. Protect your health during the Annual Meeting
7. Return home
8. In case you contract COVID-19

1. Summary of guidance

All participants with access to the Annual Meeting Congress Centre must be fully vaccinated against COVID-19, including a booster or third dose, with the last vaccination (third dose or booster) received after 1 June 2021. Participants must also have a negative PCR test result, taken no more than 72 hours before arrival at Registration, or a negative professionally administered antigen test, taken no more than 24 hours before arrival.

To pick up badges at Registration, both the proof of vaccination and negative test result must have been uploaded by participants to the Forum's Health Measures Portal.

Participants must take an on-site PCR test at one of the Forum's testing locations in Davos within 24 hours of receiving their badge. Failure to do so will result in the

automatic deactivation of the badge. The badge will be reactivated upon taking a test at one of the Forum's test centres.

Test results will be emailed directly to participants by the test provider.

We encourage all participants to protect their health during the meeting. Masks will be freely available in all Forum venues inside the secured zone, and rapid antigen self-tests will be available free of charge at all Forum-organized test centres if participants feel unwell.

Pre-departure tests, if needed by participants to return home, are offered at a fee at several private locations in Davos.

2. Upload proof of vaccination

All participants are required to be fully vaccinated against COVID-19, including a third dose or booster shot received after 1 June 2021.* No exceptions will be made to this requirement.

A unique link will be sent by email from health-safety@weforum.org on **2 May** to every participant with instructions on how to access the Forum's Health Measures Portal to upload proof of vaccination.

Individuals are considered to be fully vaccinated in the following cases:

1. You have received two doses plus a third dose or booster shot of the following vaccines in any combination:
 - a. Comirnaty from Pfizer/BioNTech
 - b. Spikevax from Moderna
 - c. Vaxzevria and other licensed vaccines from AstraZeneca
 - d. Nuvaxovid/NVX-CoV2373 (Novavax)
 - e. SARS-CoV-2 from Sinopharm
 - f. CoronaVac from Sinovac
 - g. Covaxin

2. You have received one dose of the Janssen vaccine from Johnson & Johnson plus a second dose or booster shot of that same or another vaccine.

*If you have contracted COVID-19 after 22 November 2021, proof of confirmed infection with a positive PCR test will be accepted in lieu of a booster.

If you have any questions, please contact health-safety@weforum.org

3. Upload proof of negative COVID-19 test

All participants are required to upload proof of a negative pre-arrival test to the Forum's Health Measures Portal. No exceptions will be made to this requirement. A unique link will be sent by email to every participant with instructions on how to access the portal.

The following types of test results will be accepted:

- Negative PCR test taken no longer than 72 hours before arrival at Registration
- Negative professionally administered or observed antigen test taken no longer than 24 hours before arrival at Registration

To be accepted, the test procedure must be an up-to-date scientific and technical procedure and the uploaded test result must contain the following information:

- ✓ Surname, first name and date of birth of person tested
- ✓ Date and time test was carried out
- ✓ Type of test (in English)
- ✓ Negative test result (in English)

The following document formats are accepted: PDF, PNG, JPEG, GIF, TIFF.

4. Pick up your badge at Registration

As of 1 April 2022, there is no test, entry form or quarantine requirement for entering Switzerland. Travellers can use the [Travel Check Tool](#) from the Swiss government to verify their ability to enter the country.

Once in Davos, participants must pick up their Annual Meeting badge (required to access the meeting's venues) at [Registration](#).

To pick up the Annual Meeting badge, the following is required:

- ✓ Completed upload of proof of COVID-19 vaccination
- ✓ Completed upload of proof of negative test result:
 - PCR test taken not more than 72 hours before arrival, or
 - Rapid antigen test taken not more than 24 hours before arrival
- ✓ Photo identification

5. Take free on-site COVID-19 PCR test within 24 hours

Participants are required to take an on-site PCR test at any of the dedicated test centres within 24 hours of picking up their badge at Registration. If the test is not taken within 24 hours, the participant badge will be deactivated and will no longer allow access to Annual Meeting venues. The badge will be reactivated when the participant takes a test at a Forum test centre.

Participants must show their Annual Meeting badge to receive a test in a Forum test centre. No appointments are necessary or possible. Tests administered outside the official test centres provided by the Forum are not eligible to keep the badge activated. The Forum and its test provider have established a protocol to mitigate the risk of false-positive PCR test results due to recent COVID-19 infection.

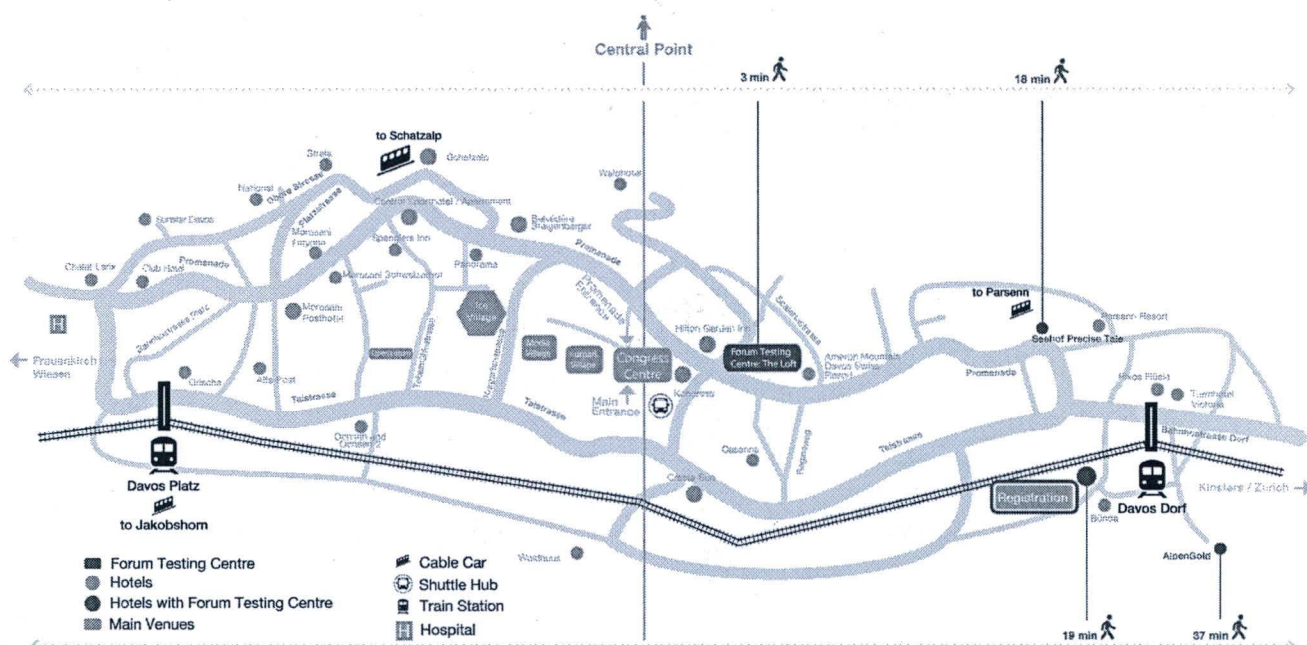

Test centre locations

Tests will be available free of charge at two Forum test centres and in two hotels conveniently located in Davos:

Test centre	Days of operation	Operating hours
Participant Registration	Friday 20 May to Wednesday 25 May	06.00 – 20.00 (10.00 to 18.00 on Friday 20 May and Saturday 21 May)
Loft	Friday 20 May to Thursday 26 May	06.00 – 20.00 (10.00 to 18.00 on Friday 20 May and Saturday 21 May; 06.00 to 12.00 on Thursday 26 May)

Hotel test centre	Days of operation	Operating hours
Alpengold	Saturday 21 May to Wednesday 25 May	06.00 – 20.00 (10.00 to 18.00 on Saturday 21 May)
Seehof	Saturday 21 May to Wednesday 25 May	06.00 – 20.00 (10.00 to 18.00 on Saturday 21 May)

Please see map below for reference.

What to expect at the test centre

- Upon arrival, participants proceed to the Reception Desk and confirm their personal details with a staff member
- The medical staff will give the required test kit to the participant
- The participant will proceed to a designated booth to take the test
- Tests should take no more than a few minutes to conduct; medical and operational staff are at the participants' disposal in every test centre

Test results

Test results are processed within 24 hours and emailed directly to the participant by the test provider. The test and its results are automatically connected to the badge access and do not require any further follow-up from participants or other staff.

6. Protect your health during the Annual Meeting

Rapid antigen self-tests

Rapid antigen tests will be available free of charge at all test locations. These tests do not replace the requirement to take a test at one of the official Forum test centres within 24 hours of picking up the participant badge.

Wellness

An infirmary is located inside the Congress Centre on – 1 Level. A dedicated health hotline is also available for advice and support. If you feel sick or show any symptoms of COVID-19, please take a rapid antigen test at any test centre, free of charge. If the test is positive, contact the health hotline.

Masks

Masks will be provided and easily available throughout the Forum meeting venues, on Forum-provided transport and at Forum test centres. We strongly encourage all participants to recycle their used masks in designated bins.

On Forum-provided official transport, all drivers will wear masks at all times. The Swiss government does not require passengers to wear masks on public transport (trains and public buses).

Service and technical staff inside the Forum's secured zone are required to wear masks at all times.

All staff handling food and beverages inside the Forum's secured zone will wear masks at all times.

Ventilation and disinfection

Inside all venues within the Forum's secured zone, all areas are cleaned, disinfected and ventilated several times a day. Additional state-of-the-art ventilation systems have been installed in areas with restricted air circulation.

Hand sanitizer dispensers will be widely available throughout the Forum meeting venues.

7. Return home

For participants who require a test to return home, several private locations provide PCR and antigen tests in Davos and Zurich for a fee. Participants with access to the Congress Centre are also welcome to use the Forum's test centres for their pre-departure test free-of-charge, but please note that only self-administered rapid antigen tests and PCR tests are available, and PCR test results may take up to 24 hours.

Additional test centres in Davos, Basel, Geneva, Chur and Zurich can be found [here](#).

8. In case you contract COVID-19

Participants will be informed by email in the event of a positive PCR test result. In this case, the participant badge will be deactivated and will no longer grant access to Forum meeting venues.

To request support, participants can contact the health hotline provided in the email with the positive result. The Forum's health measures team can also be contacted by email at health-safety@weforum.org.

In Switzerland, it is currently not mandatory to self-isolate if you test positive for COVID-19. Individuals who have been in close contact with someone who tested positive for COVID-19 are not required to quarantine or self-isolate.
